„Basic Kanji book 1“ (lesson 1-3)

### Course Description:

This course is suitable for those who have learnt Japanese for at least 50 hours and those who can read and write both Hiraganas and Katakanas well already. You will learn mainly the usage of so called „te-form“ to express requests and your situations. Also students will learn more adjectives and build up more vocabulary to describe people, objects and places. You will be able to hold simple conversation in Japanese. Also about 50 Kanjis will be learnt. Text books are available at JLS.

### Registration for new students:

Before applying, please read the terms and conditions on JLS website. Then fill in the registration form on the JLS webpage. For further details and information, please contact Yoshiko Märki, JLS.

Thank you!
